

ATTENTION MEMBERS: **7-ELEVEN. Surcharge-Free ATM Update**

While 7-11 recently ended their surcharge-free network affiliation with their existing vendor, LCFCU is happy to report that another surcharge-free network, MoneyPass, is in process of deploying to 7-11 stores around the country. 7-11 and MoneyPass will be completing their surcharge-free rollout over the next few months.

This means that temporarily, you may receive a notification of surcharge at the start of your 7-11 ATM transaction giving you the opportunity to cancel the transaction if you wish.

LCFCU participates with several surcharge-free networks, providing **over 55,000 surcharge-free ATMs available worldwide** through Allpoint, CUHERE, MoneyPass and more including ATMs in major retailers such as Target, CVS, Walgreens, Safeway and Costco stores.

Our **ATM Locator**  search tool will help you stay current with all available surcharge-free ATM locations.
